

*Preserving our western heritage for future generations.*

The Arvada Area Horsemen's Association represents equine enthusiasts in their mutual concern for trails, planned development, and conditions that facilitate equine activities. We work under the auspices of the City of Arvada administrating the maintenance, improvements, and use of the Indiana Equestrian Center, which is open for riding 365 days a year, dawn to dusk.

7500 Indiana Street

**Membership is open to anyone interested in helping to further the stated ambition of the AAHA and is the means of providing funds for that purpose.**

To apply for membership or obtain more information, mail the attached form or contact:
